

Home Cookin'

*I got a roast in the oven baby
I got wine on the table too
I got corn on the cob and gravy
Now all I need is you
So take a little ride with me, good lookin'
You can try some of my – home cookin'*

*You say that it's no good wishin'
You say that you need some time
I say step into my kitchen
One taste and you'll be mine
So come on take a ride with me, good lookin'
You can try some of my – home cookin'*

*I need to feed you baby now and I ain't lyin'
My jelly roll's a-shakin' and my bacon's fryin'
I'll feed you in the morning and the afternoon
I'll measure out the sugar you can lick the spoon*

*I got a roast in the oven baby
I got wine on the table too
I got corn on the cob and gravy
Now all I need is you
So take a little ride with me, good lookin'
Come and try some of my – home cookin'
You need a little feedin if I'm not mistaken
Come and try some of my – home cookin'
I'm gonna get you baby by hook or by crookin'
Come and try some of my – home cookin'*
