

SCREAMIN' YELLOW THUNDER (Smyth/Brown June 2007)

Chorus:

Screamin' yellow thunder, take you where you want to go
Screamin' yellow thunder, take you where you want to go
Isn't it a wonder, screamin' down the old farm road

Verse:

Don't you want to ride now, don't you want to ride with me
Don't you want to ride now, don't you want to ride with me
Get yourself inside now, baby gonna set you free

Chorus:

Screamin' yellow thunder, take you where you want to go
Screamin' yellow thunder, take you where you want to go
Isn't it a wonder, screamin' down the old farm road

Verse:

Done my time now, livin' with a suit and tie
Done my time now, livin' with a suit and tie
Never going back now, never cause I'd sooner die

Chorus:

Screamin' yellow thunder, take you where you want to go
Screamin' yellow thunder, take you where you want to go
Isn't it a wonder, screamin' down the old farm road
